REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

During 2013-14, students, staff, and parents at Hannah-Pamplico Elementary Middle focused on student achievement, professional development, and parental involvement.

HPEM received the Palmetto Silver Award for General Performance for its 2013 Report Card ratings: the elementary grades had Absolute and Growth ratings of Average and the middle grades maintained Average in the Absolute ratings and improved to Good in the Growth ratings. A preliminary comparison of HPEM’s 2012-2013 PASS data to 2013-2014 PASS data shows marked improvement in writing in the elementary grades. Third grade had consistent improvement with 80% meeting standing in writing, 82% meeting standard in ELA (66% scoring Exemplary), and a 13% rise in the number of students meeting standard in science. At least 70% of fourth graders met standard in math, ELA, writing, and social studies. Fifth grade maintained previous levels of performance in all areas except social studies in which there was a 10% increase. Sixth grade scores decreased in all areas except social studies which showed a 14% increase in the number of students meeting standard. In seventh grade, the number meeting standard increased in all areas except science. Eighth grade maintained previous performance levels in writing and ELA, with 33% scoring Exemplary in social studies.

This year HPEM continued to focus on improving student achievement levels using inquiry-based instruction, Thinking Maps, Measures of Academic Progress testing; one-to-one computing using iPods/iPads; single-gender grouping; Soar to Success, Classworks, student goal-setting, and SRA. Professional development focused on data analysis, Common Core Standards implementation, and technology integration. The sixth-eighth grade ELA teachers participated in a writing grant through the Upstate Writing Project and the National Writing Project.

Our faculty, students, and parents have made significant accomplishments this year. Faculty members continued their educations and attained advanced degrees. Several teachers wrote and received grants. Three eighth graders were named SC Junior Scholars and a sixth grader participated in the Pee Dee Regional Spelling Bee at Francis Marion University. Our eighth graders participated in Advanced Placement courses and B-Teams sports. All students participated in our fine arts program, including holiday productions and a Broadway, Jr., production of Fiddler on the Roof, Jr. Some of our students participated in Special Olympics. Our elementary students continued to break their own records by passing Accelerated Reader book tests. Students and staff participated in community service activities that benefited such organizations as the American Heart Association. Parents, grandparents, and community members actively participated in Grandparents’ Day, Field Day, Month of the Young Adolescent, Pastries for Parents, etc.
